ABOUT NATIVE INSTRUMENTS

For over 25 years, Native Instruments has been at the forefront of musical innovation. Our technology has revolutionized how people express themselves through sound across the world.

Today, we work to provide everyone with access to the worlds of music production, audio engineering, and DJing. Our portfolio contains industry leading products such as Komplete, Kontakt, Maschine, and Traktor.

In June 2023, iZotope, Brainworx, and Plugin Alliance became part of Native Instruments, further strengthening the breadth of our offerings, the expertise of our team, and the potential to offer our community a streamlined customer experience. With our powers combined, we have engineering capabilities across integrated software and hardware, AI and machine learning, the cloud, and more.

Native Instruments was founded in Berlin in 1996. Today, it has offices in Berlin, Boston, Langenfeld, London, and Shenzhen.
